Dear Mr. Manley:-

I am Joe Myers at Daytona Beach, Fla. the guy that umpire your Games here in your spring training.

Listen Mr. Manley will you write me giving me the President Address of your Negro National League. Also of Negro American League.

I would like very much to seek a job in one of these league next year. Base Ball is my hobby I am interested in that game, every since I was a kid.

This is my seventh year throughout Florida officiation Base Ball Games. And I certainly will appreciate if you will speak a good word for me to get into either one of these leagues, I would like the National League best, but I would take either one.

Hoping you all kinds of good luck with your ball club, that you might win the Pennant in your Negro National League. Thanking you if you will take up this matter at once, and let me know at once by return mail to the above address.

Sincerely

Joe-Jo. Myers.
